**Important aspects to consider when hiring coaches**

# Global Reach. Global Impact.

MCEC Coaches bring diverse leadership and coaching experience to the following locations

## Committed to Excellence. Deep Experience.

It seems like these days everyone is calling themselves a coach. Organizations that seek to build leadership capacity through top-tier executive coaching services will experience a profound difference when they hire Executive Coaches who hold their MCEC designation.

*MCEC is backed by a rigorous certification methodology. We set standards for “corporate” executive coaches in being recognized as enterprise-wide business partners™.*

MCEC Coaches bring tangible results to you and your organization. Engaging an MCEC Coach to support leadership development means you value best-in-class.

- **Focused Practitioners** – MCEC coaches are dedicated to executive development, people, performance and productivity.
- **Background in Business** – MCEC coaches are experienced leaders and seasoned coaches.
- **Expansive Approach** – MCEC coaches are practitioners who bring a portfolio of flexible tools and methodologies .
- **Proven Results** - MCEC certification confirms coaches can truly enable transformation.
